Recital Costumes

Dear Parents,

Recital costumes are starting to come in. When your child's costume does arrive she will be trying it on during her class time. However, your child does not get to take her costume home at that time. I am only trying costumes on to make sure that they fit properly.

Your child will get her costume during her Parents Observation class, which will be held in April. During this time you will not only get to observe your child in her class, but your child's teacher will be going over hair, make-up, costume alterations, and recital information. I do not have this date yet, but will have a posting once I know all my costumes are definitely in my possession.

"STUDIO CLOSED?"

In case of inclement weather, all parents and/or students should call the studio number - (732) 780-9100 - **AFTER 2:00pm** to find out if their class has been cancelled. If you have a morning class the message will be on the machine 1 hour before your class time is scheduled. Please also check www.danceimpressionsnj.com for postings.
